

JOIN VIVUS FOR THE
INDUSTRY-SPONSORED SYMPOSIUM AT ECO 2025!

Personalising obesity treatment:

How can we help our patients living with overweight and obesity reach their goals?

**MONDAY,
12 MAY 2025**
15:00–16:30 CET

PALACIO DE FERIAS Y
CONGRESOS DE MÁLAGA
CONFERENCE ROOM 2

Don't miss this opportunity to learn more about the complex world of individualised obesity management.

Through this session, you will develop skills to:

- Empower patients to overcome internalised stigma
- Improve patient-centred communication skills
- Navigate individualised selection of obesity medications for their patients
